Graham Reid

EDUCATION

Purdue University - B.S. Mechanical Engineering, Certificate in Entrepreneurship
West Lafayette, IN - Class of 2020   **GPA** 3.47/4.00

EXPERIENCE

Porsche Singer Vehicle Design - Mechanical Engineering Intern
Los Angeles, CA - May 2018 – August 2018
Redesigned and implemented multiple parts in assembly process including heater tube system.
Standardized processes to promote consistency in future manufacturing.

WeatherTech - Engineering Intern
Downers Grove, IL - May 2017 – August 2017
Assisted design of custom LampGuard products for over 700 vehicles.
Developed and implemented TechFloor quality assurance process.
Translated electronic data into rapid prototyped 3-D models for fit-up checks.

MacNeil Automotive Products – Product Development Intern
Bolingbrook, IL - May 2016 – August 2016
Researched original auto manufacturer specifications to update proprietary database.
Converted product development information from hard copy to digital format.

LEADERSHIP

ME 297B – Student Teacher
August 2018 – Present
Teach and asses lecture hall of engineering and computer science students common applications
of mechanical engineering and principles.

Purdue Mechanical Engineering Ambassador
December 2017 – Present
Represent Purdue University Mechanical Engineering through public and private tours of the
building as well as creating and hosting events to promote mechanical engineering in general.

Zeta Beta Tau – External Social
September 2016 – Present
Organize and execute events for 180+ member organization.

ABOUT

I am a rounded engineering student who prides himself on organization and responsibility seeking
a **summer internship** where my experience and leadership skills can be leveraged to support the
company in reaching its goals.
